Ayes 4, Nays 0, Absent 1 (Smith) Motion Carried

Supervisor Markou stated he received an answer from Alfie Beers, Highway Superintendent, regarding Landon Avenue. Mr. Beers met with Gary Harvey, Greene County Highway Superintendent, who recommended the ditch lines be cleared and a light coating of blacktop be applied as the estimate to replace is $300,000 and it is cost

prohibitive to the Town. Mr. Beers stated it is not a dangerous matter and will be monitored closely.

Richard Schloss, resident of Landon Avenue, stated the area was blacktopped today. He stated the ditch was dug part of the way but not far enough to go under the hill. It is a temporary fix and is worried that if there is a fire, a fire truck would not be able to go down that hill. He stated other roads in the town have been paved and his road has not been blacktopped since Charlie VanVechtan was Highway Superintendent. He stated his road has had no maintenance and it needs to be looked at.

Supervisor Markou stated there is always a number thrown out and that the cost will escalate because the product is not cheap. He stated an eye will be kept on the road and asked Mr. Schloss if he feels the road if failing to please contact the board.

Councilman Lennon stated this may fall under grant money. It will need to be fixed but unfortunately it will be down the road.

Supervisor Markou asked the board if they had any comments. With no comment from the board and no public comment, a motion to adjourn the meeting was made by Councilman Antonelli and seconded by Councilman Walsh. Meeting ended 7:41 pm.

Respectfully submitted,

Elizabeth Izzo
Town Clerk
